VINEYARD & WINERY

This beautifully renovated guest house sits next to the Gloria Estate Vineyard, among the towering redwoods. Along with an open layout, contemporary furnishings and warm wood accents, the three-bedroom, three-bath house is equipped with wifi, a Sonos sound system and high-tech Toto toilets to keep you warm on those chilly Sonoma County mornings.

Relax with a glass of wine on the back deck, with its wonderfully serene view of our olive trees, or follow the path down to the Freeman Winery to enjoy the lawn and picnic under the redwoods. If you feel like exploring, the cottage is ideally located in the Green Valley of the Russian River, just 10 miles from the magnificent Sonoma Coast.

Rentals are available to Friends of Freeman wine club members only. Please inquire about rates for a minimum three night stay.

We'd love to have you come and stay with us!
